

Josh Lowe

911 East Ridge Hill Lane, Apt. 21 | Midvale, UT | JoshTylerLowe@gmail.com | 385-388-2433

Projects:

Legacy Lanyon Printserver

A printer application that takes in check-in information from an external server that encodes and prints RFID cards used for attendee tracking and session entry.

- C#.NET, PInvoke .dll referencing, RFID read/write encoding

Cvent Conference

Event management software for large conferences, including registration, scheduling, check-in, onsite services, and live support.

- React, jQuery, SCSS, Oracle SQL, Java, Struts 1

Wonderlic's Wonscore

A pre-employment testing website for employers to find the best candidates for their business.

- Mongo DB, Angular, Node, Jade, Selenium, Swagger

Mercer Pension Risk Exchange

Tool to assist insurance plan sponsors in the planning, tracking, and execution of group annuity buyouts.

- ASP.NET MVC, AngularJS, C#, SQL, Highcharts

Ball State University Map App

A multi-platform mobile app to help visitors to Ball State University find any place on campus, track the campus buses, and look up information about any department on campus.

- Android, iOS, Google Maps V2, RESTful API calls

Indiana DNR Parks History App

Utility/educational mobile app that presents historical information about the state parks of Indiana using geo-fencing to determine the user's location relative to the landmarks within.

- Android, iOS, Google Maps V2

Ball State Chirper

A simple app where the user shakes or taps their phone to make a loud chirping noise to root for the BSU Cardinals.

- Android, I/O multi-threading

Work Experience:

Software Developer II

Cvent

September 2016 – present

Software Developer

Geneca

June 2014 – September 2016

Master Software Developer

Ball State University

September 2011 – May 2014

Education:

BS in Computer Science

Ball State University, May 2014

Disciplines:

Proficiencies

Java, C#, ASP.NET, React, Android SDK, SQL, AngularJS, jQuery, Javascript, HTML, CSS, SCSS, JSON, XML, Highcharts

Version Control

Git, Team Foundation Server, SVN

Certifications

HTML, Javascript

Additional Skills

Client and QA Handoffs, User Experience, Scrum Master, Terminal
